Toraseen™

Blending comfort with a sleek, modern design.

Harriet

The range includes a stylish lounger with a headrest, an armchair and coordinating sofa. The generously sized curved seat ensures supportive comfort, while the low level keeps the sitting position relaxed and laid back. Adding just the right amount of visual interest the clean lines and horizontal stitch detail to enrich the range with subtle details.

Designed for versatility, Harriet offers customisation, including the choice of two-tone fabric and a wide range of frame options.
